

***Naval Station Mayport Tour, Lunch, Veteran's Memorial Wall, Adams Class Ship Museum Visitor's Center, and Jacksonville Maritime Museum
Friday, May 4, 2012***

Since its commissioning in December 1942, Naval Station Mayport has grown to become the third largest fleet concentration area in the United States. Mayport's operational composition is unique, with a busy harbor capable of accommodating 34 ships and an 8,000-foot runway capable of handling any aircraft in the Department of Defense inventory.

With more than 3,400 acres, NS Mayport is host to more than 80 tenant commands including 22 naval ships and six Light Airborne Multi-purpose System (LAMPS) Mark III helicopter squadrons. NS Mayport is also the operational and training headquarters for the SH-60B Seahawk LAMPS MKIII with a primary mission of anti-submarine warfare.

The Navy at Mayport covers 3,409 acres and is the third largest Naval Facility in the continental United States. As a major Surface and Air Warfare organization, Mayport remains dedicated to providing the "Finest Service to the Finest Fleet," as it grows into the 21st century.

Our delicious lunch will be overlooking the Atlantic Ocean at Ocean Breezes, the former Officer's Club which is now a catering and conference center.

After departing NS Mayport, the group will stop at the Veteran's Memorial Wall in Downtown Jacksonville. Then at the Jacksonville Landing, we visit the Adams Class Ship museum Visitor's Center and the Jacksonville Maritime Museum.

(It is also possible that there will be an opportunity to tour a ship at Mayport).

***St. Augustine Historic Tour
Sunday, May 6, 2012***

Your professional tour guide meets the group dressed in period costume. We cover 450 years of colorful history: the Ponce de Leon discovery, the pirate days of Sir Francis Drake, the Spanish and English colonial years, and the Victorian Flagler era. We tour all the major sites and stop at the Castillo de San Marcos, the fort that was never captured in battle. St. Augustine was also the first winter resort for the rich and famous during the Gilded Age. Hear how Henry Flagler built the most opulent hotels of the day and turned the city into the "Newport of the South". The second stop will be the Venetian Renaissance gem of Flagler Memorial Church. Your guide creates an interactive tour atmosphere which is fun for everyone.

This tour will be conducted on our coach and will be a 2-hour tour. Once this memorable tour is complete, our guides will lead you to the historic district and make some lunch recommendations. Then you are on your own for lunch and shopping in St. Augustine's unique historic district. What a wonderful way to enjoy our nation's oldest city!
